

German International Para Swimming Championships
6th-9th July 2017 Berlin

Jessica-Jane Applegate and Jordan Catchpole both from City of Norwich Swimming Club were selected along with their coach Alex Pinniger to attend the 2017 German International Swimming Championships as part of the British Swimming Team.

The competition was the final instalment of this year's IPC World Series and attracted teams from all around the world. It was 2 weeks before the British Summer Championships where Jessica-Jane and Jordan will be aiming to qualify for the IPC World Championships held in Mexico in September.

Jessica-Jane swam brilliantly in Berlin setting 4 new S14 World Records in the 400 meters individual medley, 400 meters freestyle heats and final and the 800 meters freestyle. She also set new personal bests in the 50 and 100 meters freestyle and 100 meters butterfly.

Jordan enjoyed making his international debut setting a new S14 World Record in the 200 meters backstroke and breaking his own S14 British Record in the 50 metres backstroke. He also set a new personal best in the 400 meters freestyle.

Coach Alex Pinniger said 'Jessica-Jane and Jordan have both excelled in Berlin at this key stage in the season. They will now begin their final preparations leading in to the British Summer Championships where they will join their City of Norwich team mates and targeting even better performances'.

The British Summer Championships are in Sheffield 25th – 30th July.
